

Principal accredited as “Good MPF Employer 6 Years”

Hong Kong, September 3, 2020

Principal Hong Kong announced that its member companies have attained “Good MPF Employer 6 Years”, “e-Contribution Award” and “MPF Support Award” from Good MPF Employer Award 2019-20 (“the Award”) organized by Mandatory Provident Fund Schemes Authority (“MPFA”). The Award recognized Principal’s unyielding perseverance in making commitment and efforts in enhancing and providing better retirement benefits for employees even in times of uncertainty as the global pandemic sweeping across the world. In addition, Principal was qualified for two special awards as its provision of value-added services and support to employees.

“We are proud to receive this Award for the sixth consecutive year. At Principal, we value employees as the greatest assets of the company. Better retirement protection for employees is one of the top-of-mind priorities for us,” said Mr. Dave Ashton, CEO of Principal Trust Company (Asia) Limited. “When servicing our employer customers, we advocate the same proactive approach to go the extra mile for the welling-beings of their employees.”

The two special awards are extra recognition on employee member servicing. “We are inexhaustibly developing our digital transformation strategies that enable our customers to engage more and play a more active part on their long-term wealth management,” added Dave, “ Apart from digital infrastructure, we also invest more in enhancing financial literacy among general public, creating more investor education resources available on major social media platforms.”
