Consolidate your MPF Personal Accounts

Help bliss a hassle-free retirement life!

Imagine the hassle of having multiple personal accounts

If you have changed jobs for several times, you may have held multiple personal accounts from different MPF providers. Have you ever gone through the below?

Difficult investment planning

It is time-consuming to check your account balances, reallocate investment portfolios of your MPF assets and transfer your accrued benefits with different MPF providers. This simply hinders the investing planning.

Overwhelming administration

You have to read multiple benefits statements and contact different MPF providers. It becomes complicated to manage MPF benefits.

Do you know...

The number of MPF personal accounts has increased over 2.38 million in 12 years, from nearly 4.29 million as at end December 2012 to nearly 6.67 million as at end of December 2024.
