

# Principal Life Style Fund - Principal U.S. Equity Fund

As of 31/8/2024

## Important Notes:

1. Principal U.S. Equity Fund ("Fund") will invest primarily in U.S. equities.
2. The Fund invests in a single country. Compared with a well-diversified fund, its concentration risk is relatively high and hence it might be more volatile than a well-diversified fund. The Fund is also subject to foreign exchange, liquidity, market and securities risks.
3. Investment involves risk. There is no assurance on investment returns and you may not get back the amount originally invested.
4. The investment decision is yours and you should not invest in this Fund unless the intermediary who sells it to you has advised you that it is suitable for you and explained how it is consistent with your investment objectives.
5. You should not rely solely on this marketing material when making your investment decision. You should read the Explanatory Memorandum of Principal Life Style Fund for further details (including investment policy, risk factors, fees and charges, and fund information).
