The number can be found in the statements issued by the trustees or through the member enquiry facilities available from the trustees. GUIDE TO TRANSFER OF MPF ACCRUED BENEFITS (BENEFITS) UNDER EMPLOYEE CHOICE ARRANGEMENT (ECA)

Sections 148A and 148B of the Mandatory Provident Fund Schemes (General) Regulation (Cap 485A)

Explanation of terms used in Form MPF(S)-P(P), the Explanatory Notes and this Guide:

- (a) “Contribution account” – has the same meaning as in section 2 of the Mandatory Provident Fund Schemes (General) Regulation (the Regulation). Generally, it is an account in an MPF registered scheme (scheme) which is mainly used to receive MPF contributions (both employer and employee portions) made by an employer for an employee and on behalf of the employee. Contribution account may also include an account of a self-employed person in New Scheme which is mainly used to receive MPF contributions made by himself while self-employed.
- (b) “Personal account” – has the same meaning as in section 2 of the Regulation. Generally, it is an account (other than a contribution account and TVC account) in a scheme which is mainly used to receive the benefits transferred from other contribution or personal account(s).
- (c) “Original Scheme” – the scheme from which your benefits are to be transferred.
- (d) “New Scheme” – the scheme to which your benefits are to be transferred. If you elect to transfer your benefits to another account within the same scheme, the new scheme on this Form will be the same as the original scheme.
- (e) “Calendar year” – the one-year period from 1 January to 31 December.

Rights of employees under the ECA

- (1) Under the ECA, an employee can, **during employment**, make an election to transfer part of the benefits from a contribution account in Original Scheme to an account in New Scheme nominated by him.
- (2) The table below shows the parts of benefits derived from the mandatory contributions in a contribution account and the transferability of these parts of benefits in a contribution account under the ECA.

Parts of benefits in a contribution account		Under ECA
(a)	Employer mandatory contributions in current employment	Not transferable
(b)	Employee mandatory contributions in current employment	Transferable to an MPF personal account once per calendar year ¹
(c)	Mandatory contributions that have been transferred into the contribution account and are attributable to former employment(s)	Transferable to an MPF personal account or contribution account anytime

- (3) The transferability of benefits derived from voluntary contributions is subject to the governing rules of Original Scheme. Please check this information from the offering documents of Original Scheme, which can be found on the website of the trustee of Original Scheme. You may also consult your employer or contact the trustee of Original Scheme.
- (4) You can only elect to transfer out the benefits derived from your employee mandatory contributions once per calendar year (unless the governing rules of Original Scheme provide for more frequent transfer-out). **The date the trustee of New Scheme receives the completed election form is adopted for counting that quota.** You may check that date from the transfer statement issued by your trustee of Original Scheme, or consult your trustee of Original Scheme directly.
- (5) Please note that the benefits derived from your employee mandatory contributions in current employment and employee voluntary contributions in current employment (if any) can be transferred to **a personal account** only. They cannot be transferred to another contribution account (Note: if you are concurrently working for more than

¹ Unless the governing rules of Original Scheme provide for more frequent transfer-out.

one employer, you would have other contribution accounts).

- (6) After your benefits are transferred out from Original Scheme, future contributions made by your existing employer (both employer and employee portions) will continue to be made to your contribution account with the trustee of Original Scheme. If you want to transfer the benefits derived from the subsequent employee mandatory contributions to your account in New Scheme, you should make a separate transfer election in the next calendar year (or earlier if the governing rules of Original Scheme allow for more frequent transfer-out in a calendar year).

Reminders before making an election to transfer

- (7) Before you decide to transfer your benefits to another scheme, you should take into consideration the following factors:
- (a) services of the trustees (e.g. frequency of issuance of benefit statement to scheme members; number of free fund switching per year);
 - (b) fees and charges of the funds (for detailed information, please refer to the website of the MPFA);
 - (c) the range of fund choices offered by the schemes and in particular whether there are funds available that match what you need; and
 - (d) if you are currently investing in an MPF guaranteed fund, a transfer of the benefits out of that guaranteed fund may result in some or all of the guarantee conditions not being satisfied; thus affecting your entitlement to the guarantee. Please check the offering document of Original Scheme or consult the trustee of Original Scheme for details.
- (8) Before deciding to transfer benefits to New Scheme, you should try to understand as much as you can about New Scheme. Please check the information about New Scheme from the offering document of New Scheme, which can be found on the website of the trustee of New Scheme or contact the trustee of New Scheme.
- (9) Please ensure that you have an MPF account in New Scheme. Otherwise, you have to submit a membership enrolment form before or at the same time you submit this Form to the trustee of New Scheme. Please consult your trustee of New Scheme for the procedures and required documents for setting up an account.
- (10) If you wish to transfer your benefits from a scheme to another, please be aware of how the transferred-in benefits will be invested. In general, the transferred-in benefits will be invested according to the default investment strategy (DIS) if you either (a) do not give or have not given any investment instructions for the account to the trustee of New scheme or (b) have given investment instructions for the account to invest benefits according to the DIS. Please approach the trustee of New Scheme to seek clarification, where necessary. If you wish to change or specify an investment instruction for the account in New Scheme, please also approach the trustee of New Scheme.
- (11) If you have reached, or are approaching, the age of 50 and your benefits are currently invested according to the DIS of the scheme, you should be aware that the de-risking mechanism of the DIS starts at the age of 50. If the annual de-risking of your investment in the DIS and your transfer request take place at around the same time, the trustee of the scheme shall sequence the de-risking and the transfer request in accordance with its procedures and in compliance with the Mandatory Provident Fund Schemes Ordinance. Please consult the relevant trustee(s) if you wish to know the details of how the trustee(s) will handle these transactions.
- (12) In order to prevent a third party from filling in incorrect information, please **DO NOT sign on a blank form**. After the completed election form has been received by the trustee of New Scheme, the administration procedures taken by the trustees may not be reversible.
- (13) The number of fund units shown in your current MPF account on the date you elect to transfer may be different from that as of the date on which the fund units are redeemed. The trustee of Original Scheme will redeem all the fund units from the part(s) of benefits in your MPF account that you elect to transfer out on the date of redemption and transfer out the redeemed benefits. The trustee of New Scheme will subscribe fund units in accordance with your instructions. There will be a time-lag of about one to two weeks, during which your benefits will not be invested in any fund. During this period, fund prices may change due to market fluctuations, and there is a risk of a “sell low, buy high” scenario occurring.
- (14) Please refer to the MPFA’s publication available from the MPFA website (www.mpfa.org.hk) for the factors to consider when choosing a scheme and the potential risks involved in MPF investment.
